

HADDON TOWNSHIP BOARD OF EDUCATION

Broadcast

February 18, 2021

Dear Parents and Staff,

I trust that everyone stayed safe today. A school decision for tomorrow will be made before 6 am after we have had an opportunity to evaluate road conditions. At this point, Cohort -T students are scheduled to be in person tomorrow. **We are not making up the H-Cohort day tomorrow because families have consistent child care arrangements alternate from their child's cohort days.** From this point forward, all attempts to be consistent with the cohort days will be made. Plans to make up missed in-person days will soon be arranged. Have a great evening.

-Robert J. Fisicaro Superintendent
